

REGISTER FOR PRESCHOOL

Head Start and VPI Application Intake

Friday, March 24, 2017

9:00 am to 3:00 pm

Bedford County School will take applications and do interviews for a limited number of preschool spots for the 2017-18 school year. A parent or guardian must attend the registration day with proper paperwork and be prepared to complete forms and have an interview. Usual time allowed should be between 1 to 2 hours. Preschool acceptance is based on need of the preschool student and family. Each classroom will enroll the children who are the most eligible based on the application process and the state and federal guidelines. Notification is anticipated for late May, 2017.

- **VPI (Virginia Preschool Initiative) receives state and local funding and accepts four year old students** (must be four on or before Sept. 30th).
- **Head Start receives federal funds and accepts three and four year old students.**

Locations for Registration

Location does not guarantee program for next year due to funding

Register your child at his/her zone school
